This presentation is for anyone searching for their ultimate purpose in life, as it addresses the most basic truths and questions of human existence. With profound insight and humor, Bill Donaghy reveals that the Church's teaching on sexuality and marriage makes sense. It resonates with the deepest yearnings of the human heart.

Bill completed the Institute Speakers Training program in 2005 and the Head & Heart Immersion Course in January 2006. Bill's presentation of Introduction to Theology of the Body has been described as "riveting" and "life-changing". He applies his Masters Degree in Systematic Theology along with his extensive ministry work and love for the Church and its teachings to present John Paul II's Theology of the Body to your community. Bill has worked in the fields of mission and evangelization in the Archdiocese of Philadelphia since 1999. Through his work with the Pontifical Mission Societies, Bill has given hundreds of talks on the spirituality of mission to young people throughout the greater Philadelphia area and beyond. He has experienced the love of Christ in the missions of Haiti, El Salvador, and the Dominican Republic as well as within the realms of Young Adult and Parish ministry in Philadelphia. Bill holds an Associates Degree in Visual Arts, a Bachelors in Philosophy and a Masters in Systematic Theology. He teaches theology at Malvern Preparatory High School and lives in Lansdowne, PA with his wife, Rebecca.
