THEOLOGY OF THE BODY: GOD, SEX, AND THE MEANING OF LIFE

**MONDAY, NOVEMBER 16, 2009
SS. SIMON AND JUDE CHURCH
7:00 PM**

This will be a two-hour presentation designed for those who are exploring an understanding of Theology of the Body. Attendees will appreciate who they really are and who God has called them to be.

God's plan for us is stamped right into our bodies, and appreciating this plan will provide a new lens through which to see life, relationships, and the world. An understanding of Theology of the Body has been a life-changing for many who have attended. In this two-hour talk, Christopher West addresses some of the most fundamental questions of human existence.

Christopher West comes to SS. Simon and Jude from the Theology of the Body Institute. He is one of the most sought after speakers in the Church today, having delivered more than 1000 public lectures on 4 continents, in 9 countries, and in over 150 American cities.

All three of his books – Good News About Sex & Marriage, Theology of the Body Explained, and Theology of the Body for Beginners – have become Catholic best sellers.
