PROCLAIMING
the **THEOLOGY** of the **BODY**

By freely choosing to surrender themselves, those living out a celibate vocation proclaim the everlasting banquet of the Lamb and the greatness for which we are all created.

Join Christopher West for a special seminar for priests. The presentation will give a compelling overview of Pope John Paul II's Theology of the Body showing priests how they can integrate this revolutionary teaching into their lives and their ministry.

Each attendee will receive a FREE copy of Theology of the Body for Beginners, and the Proclaiming the Theology of the Body (CD set).
