

Invitation to **Proclaiming the Theology of the Body**

A Presentation for Priests and Seminarians

The Teachings of the
late Pope John Paul II

Christopher West is recognized around the globe for his work promoting the late Pope John Paul II's teachings regarding an integral, biblical vision of human life, love, and sexuality. He serves as a research fellow and faculty member of the Theology of the Body Institute and is the best-selling author of five books on the Theology of the Body.

In this presentation, Christopher West will offer an overview of Pope John Paul II's *Theology of the Body* and show how all the "tough issues" of Catholic teaching on marriage and sexuality can be proclaimed in a way that not only makes sense, but demonstrates the beauty of God's plan for sexuality and the joy of living it.
