The Theology of the Body is a great way to enhance your marriage preparation program. The Diocese of Sioux Falls is introducing one of the country's most highly acclaimed marriage preparation programs as a supplement to the current diocesan program. Based on Pope John Paul II's revolutionary insights found in the Theology of the Body, *God's Plan for a Joy-Filled Marriage*, has helped thousands of engaged couples come to a profound understanding of marriage and the meaning of their lives.

God's Plan for a Joy-Filled Marriage is a marriage preparation supplement that offers engaged couples a compelling presentation of God's glorious plan for marital love. It is based on the "new language" of Pope John Paul II's Theology of the Body and explores the "whys" behind the "whats" of Catholic teaching in a non-threatening and convincing manner.

The training will enable leaders to share an understanding of the Theology of the Body and Catholic teaching about marriage, handle commonly asked questions from engaged couples and learn the skills to successfully facilitate the program.
