Pope John Paul II's Theology of the Body is changing lives around the world through its positive portrayal of our sexuality as a good and essential part of love and life.

The *Theology of the Body for Teens* Training brings this exciting teaching into a practical format of 12 lessons that teenagers will enjoy and understand. Join us for this timely and important training where you will be introduced to the Theology of the Body as it specifically relates to teens.

THEOLOGY OF THE BODY FOR TEENS ANSWERS QUESTIONS SUCH AS:

- Why did God give us our sexual desires?
 - What is purpose and scope of the Theology of the Body?
 - What is the difference between love and lust?
 - What does our sexuality teach us about God?
 - Can Christ bring healing to me if I've already "messed up"?
 - How can I discover my vocation?
 - How far is "too far"?
 - How can teens remain pure in our oversexed culture?
- ...and many more.

"In order to implement this curriculum and ensure a quality program, teachers must be certified to teach the coursework of the Theology of the Body for Teens program. The first two days of the training will consist of instruction on the Theology of the Body and the third day will be training on how to implement the program."

- Archbishop Gregory M. Aymond
