Pope John Paul II's Theology of the Body is changing lives around the world through its positive portrayal of our sexuality as a good and essential part of love and life.

The *Theology of the Body for Teens* Training brings this exciting teaching into a practical format of 12 lessons that teenagers will enjoy and understand. Join us for this one-day training where you will be introduced to the Theology of the Body as it specifically relates to teens.

THEOLOGY OF THE BODY FOR TEENS ANSWERS QUESTIONS SUCH AS:

- Why did God give us our sexual desires?
- What is the difference between love and lust?
- What does our sexuality teach us about God?
- Can Christ bring healing to me if I've already "messed up"?
- How can I discover my vocation?
- How far is "too far"?
- How can teens remain pure in our oversexed culture?

...and many more.

“THE BODY, IN FACT, AND ONLY THE BODY, IS CAPABLE OF MAKING VISIBLE WHAT IS INVISIBLE: THE SPIRITUAL AND THE DIVINE.”

-POPE JOHN PAUL II,
THEOLOGY OF THE BODY

Pope John Paul II devoted the first major teaching of his pontificate to what he called the Theology of the Body. This profound and beautiful teaching calls everyone to an authentic understanding and living out of what it means to be created male and female in the image and likeness of God.

The Theology of the Body addresses the two most fundamental and universal questions: 1) “What does it mean to be human?” and 2) “How do I live my life in a way that brings true happiness and fulfillment?” This is a rich, refined understanding of our Catholic Faith and ultimately a re-discovery of the very meaning and purpose of life.

Don't miss this exciting and truly life-transforming seminar!
